**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer as well as a small business owner and I support broadband competition.

My local provider gives me great service (an awesome help line, quick repair response, great consumer information) that isn't available with the big companies.

Don't let price hikes increase the cost of internet and telephone services.

Free and fair competition is one of the founding principles of this country and our national economy. I depend on you to keep it so. Thank you!

Sincerely,

Debra Alexander
